If you're the parent of a child with ADHD, you know that life can be a constant challenge. Your child may be impulsive, hyperactive, and inattentive. They may have trouble following directions, staying organized, and making friends. And they may drive you absolutely crazy at times.

But there is hope. With the right help, children with ADHD can learn to manage their symptoms and thrive in school, at home, and in social situations. *Child Without an Off Switch* is a comprehensive guide for parents of children with ADHD. It provides practical advice on how to:

- Understand your child's ADHD

- Manage your child's symptoms
- Help your child succeed in school
- Help your child make friends
- Cope with the challenges of parenting a child with ADHD

Child Without an Off Switch is written by Dr. Edward Hallowell, a leading expert on ADHD. Dr. Hallowell has helped thousands of children and adults with ADHD, and he knows what it takes to succeed. In this book, he shares his insights and strategies with parents of children with ADHD.

If you're the parent of a child with ADHD, *Child Without an Off Switch* is a must-read. It will provide you with the tools and information you need to help your child succeed.
