

Dave Barry's History of the Millennium So Far: A Humorous and Insightful Take on the Past 20 Years

Dave Barry's History of the Millennium (So Far) by Dave Barry

★★★★☆ 4.4 out of 5

Dave Barry is one of America's most beloved humorists, and his latest book, *History of the Millennium So Far*, is a hilarious and insightful take on the past 20 years.

Barry covers everything from the rise of the internet to the fall of the Berlin Wall, from the election of Barack Obama to the rise of Donald Trump. He does it all with his trademark wit and wisdom, making this book a must-read for anyone who wants to understand the world we live in today.

The Rise of the Internet

One of the most significant events of the past 20 years has been the rise of the internet. Barry chronicles the internet's humble beginnings in the early 1990s to its ubiquitous presence in our lives today.

Barry is particularly funny on the subject of social media. He writes about the way we use social media to share our every thought and feeling, and how we often end up regretting it later.

“The internet is a wonderful thing. It's like a giant library, except that instead of books, it's filled with cat videos and pictures of people's food.”

- Dave Barry”

The Fall of the Berlin Wall

Another major event of the past 20 years was the fall of the Berlin Wall in 1989. Barry was there when it happened, and he provides a firsthand account of the events that led up to the wall's collapse.

Barry is also funny about the aftermath of the wall's fall. He writes about the way that East and West Germany were reunited, and how the two countries are still struggling to fully integrate today.

“The fall of the Berlin Wall was a great moment in history. It showed that even the most oppressive regimes can be overthrown by the power of the people.”

- Dave Barry”

The Election of Barack Obama

The election of Barack Obama in 2008 was a historic moment for the United States. Barry was a strong supporter of Obama's, and he writes about the election with great enthusiasm.

Barry is particularly funny about the way that Obama's election was seen by people around the world. He writes about how Obama was seen as a symbol of hope and change, and how his election inspired people all over the globe.

“The election of Barack Obama was a great moment for America. It showed that we are a country that can overcome any obstacle, and that we are united in our desire for a better future.”

- Dave Barry”

The Rise of Donald Trump

The election of Donald Trump in 2016 was a shock to many people. Barry is no exception, and he writes about Trump's election with a mixture of humor and dismay.

Barry is particularly funny about the way that Trump has used social media to communicate with the public. He writes about how Trump's tweets are often full of typos and grammatical errors, and how they often reveal his true thoughts and feelings.

“Donald Trump is a unique president. He is the first president to have ever been impeached, and he is also the first president to have ever been accused of colluding with a foreign power to interfere in an election.”

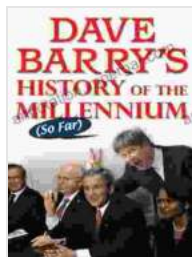

- Dave Barry”

Dave Barry's *History of the Millennium So Far* is a hilarious and insightful take on the past 20 years. Barry covers everything from the rise of the internet to the fall of the Berlin Wall, from the election of Barack Obama to the rise of Donald Trump. He does it all with his trademark wit and wisdom, making this book a must-read for anyone who wants to understand the world we live in today.
