Print length : 353 pages

The book is divided into three parts. The first part, "Reveries," is a collection of personal essays that reflect on Hearn's experiences in Japan. The second part, "Studies," is a more scholarly look at Japanese culture and history. And the third part, "New Japan," is a collection of essays that explore the changes that were taking place in Japan at the turn of the 20th century.

Throughout the book, Hearn's writing is full of beautiful descriptions and vivid imagery. He writes about the beauty of the Japanese countryside, the customs of the Japanese people, and the unique character of Japanese art and literature. He also provides insights into the Japanese psyche, and explores the complex relationship between Japan and the West.

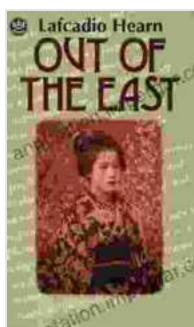

"Reveries and Studies in New Japan" is a must-read for anyone who is interested in Japan. It is a book that will transport you to another world and give you a new appreciation for the beauty and complexity of Japanese culture.

Here are some of the highlights of the book:
