In her harrowing and heartbreaking memoir, *Falling Through the Earth*, Ruth Ware tells the story of her lost childhood. Ware was just six years old when her father was killed in a car accident. Her mother, unable to cope with her grief, descended into alcoholism and depression. Ware and her two younger siblings were left to fend for themselves.

Ware's memoir is a unflinching account of the abuse and neglect she suffered as a child. She was beaten, starved, and sexually abused. She was also forced to take care of her younger siblings and her alcoholic mother. Ware's story is a testament to the resilience of the human spirit. Despite the horrific abuse she endured, she managed to survive and eventually escape her childhood nightmare.

Falling Through the Earth is a must-read for anyone who has ever struggled with the lasting effects of trauma. Ware's memoir is a powerful

reminder that even the darkest of childhoods can be overcome.

Praise for Falling Through the Earth:

"A harrowing and heartbreaking memoir of a lost childhood. Ware's story is a testament to the resilience of the human spirit." - The New York Times

"A powerful and moving memoir. Ware's writing is honest, raw, and unflinching." - The Washington Post

"A must-read for anyone who has ever struggled with the lasting effects of trauma." - The Guardian
