The book begins with a look at the Tribune's early days, when it was founded in 1847 by a group of abolitionists. From there, MacInnes traces the paper's rise to prominence as one of the most influential newspapers in the country. He also explores the Tribune's role in major events in Chicago history, such as the Great Fire of 1871 and the World's Columbian Exposition of 1893.

In recent years, the Tribune has faced a number of challenges, including declining circulation and competition from online news sources. MacInnes

does not shy away from these challenges, but he also argues that the Tribune remains an important institution in Chicago. He writes:

***“ "The Tribune is not just a newspaper. It is a part of the fabric of Chicago. It is a place where people come to learn about the city, to share their stories, and to hold their leaders accountable." ”***

Farewell, Chicago Tribune is a must-read for anyone who cares about the city of Chicago or the future of journalism. MacInnes' book is a reminder of the important role that newspapers play in our society, and it is a celebration of one of the most storied newspapers in the world.

Here is an excerpt from the book:

***“ "The Tribune was born in a time of great turmoil and change. The city of Chicago was growing rapidly, and the nation was on the brink of civil war. The Tribune's founders were a group of abolitionists who believed that the newspaper could be a force for good in the world.***

***From its humble beginnings, the Tribune quickly became one of the most influential newspapers in the country. It played a major role in the city's development, and it helped to shape the national conversation on issues such as slavery, immigration, and civil rights." ”***

Farewell, Chicago Tribune is a love letter to the city of Chicago and to the newspaper that has served it for over 170 years. MacInnes' book is a must-read for anyone who cares about the future of journalism.
