The book is divided into three parts. Part I provides an overview of the international legal framework for transnational disputes. It examines the sources of international law, the role of international organizations, and the principles of state responsibility. Part II examines the domestic legal framework for transnational disputes in Chile. It examines the Chilean Constitution, the Chilean Civil Code, and the Chilean Arbitration Law. Part

III examines the role of arbitration and other forms of dispute resolution in transnational disputes. It examines the advantages and disadvantages of arbitration, the different types of arbitration, and the enforcement of arbitral awards.

This book is a valuable resource for anyone who is interested in transnational disputes. It provides a clear and concise overview of the relevant legal frameworks and the role of arbitration and other forms of dispute resolution.
