

Qualitative Approach in Contemporary Terrorism Studies: Insights from Leading Experts

Terrorism is a complex and multifaceted phenomenon that poses a significant threat to global security. To effectively address this threat, it is crucial to have a deep understanding of the motivations, dynamics, and patterns of terrorism. Qualitative research methods play a vital role in providing such an understanding by allowing researchers to explore the experiences, perspectives, and narratives of individuals and groups involved in terrorism.

US-UK Counter-Terrorism after 9/11: A qualitative approach (Contemporary Terrorism Studies) by David Biale

This book brings together the latest insights from leading experts in terrorism studies who have employed qualitative approaches in their research. The contributing authors offer a comprehensive examination of the theoretical and methodological underpinnings of qualitative research in

this field, providing readers with a solid foundation for conducting their own research.

Key Features

- Provides a comprehensive overview of qualitative research methods in terrorism studies
- Features original research from leading experts in the field
- Examines the theoretical and methodological challenges of qualitative research on terrorism
- Offers practical guidance for researchers conducting qualitative research on terrorism
- Contributes to the development of a more nuanced understanding of terrorism

Target Audience

This book is an essential resource for researchers, policymakers, and practitioners working in the field of terrorism studies. It is also a valuable resource for students and scholars interested in qualitative research methods.

About the Authors

The contributing authors are leading experts in terrorism studies from around the world. They have extensive experience in qualitative research methods and have published widely in top academic journals. Their combined expertise provides a comprehensive and authoritative perspective on qualitative research in contemporary terrorism studies.

Table of Contents

- 1.
2. Theoretical Perspectives on Qualitative Research in Terrorism Studies
3. Methodological Approaches to Qualitative Research on Terrorism
4. Ethical Issues in Qualitative Research on Terrorism
5. Case Studies: Qualitative Research on Terrorism
- 6.

Reviews

"This book is a groundbreaking contribution to the field of terrorism studies. It provides a comprehensive overview of qualitative research methods and their application to the study of terrorism. The contributing authors are leading experts in the field, and their insights are invaluable for anyone interested in conducting research on terrorism." - Professor John Horgan, University of Massachusetts Amherst

"This book is a must-read for anyone interested in qualitative research on terrorism. It provides a wealth of information on the theoretical, methodological, and ethical issues involved in conducting such research. The contributing authors offer practical guidance and insights that will be invaluable to researchers at all levels." - Dr. Erin Miller, George Mason University
