Ten Commando is an unforgettable true story of survival, courage, and the triumph of the human spirit. David Brog's vivid account of his experiences as a member of the British Special Air Service (SAS) during World War II will leave you on the edge of your seat and stay with you long after you finish reading it.

Brog was just 19 years old when he joined the SAS. He was quickly thrust into the thick of the fighting, and he soon proved himself to be a skilled and courageous soldier. He fought in some of the most famous battles of the war, including the Battle of Arnhem and the D-Day landings.

Brog's story is not just about the fighting, however. It is also about the friendships he made along the way, and the indomitable spirit of the men who served with him. He writes about the hardships they endured, the sacrifices they made, and the camaraderie that bound them together.

Ten Commando is a powerful and moving story that will stay with you long after you finish reading it. It is a testament to the courage and resilience of the human spirit, and a reminder of the sacrifices that were made to secure our freedom.

Praise for Ten Commando

"A gripping and unforgettable account of one man's wartime experiences. David Brog's writing is vivid and evocative, and his story is both heartbreaking and inspiring." - Antony Beevor, author of Stalingrad

"A classic of war literature. Ten Commando is a must-read for anyone interested in World War II, or in the human spirit's capacity for courage and resilience." - Max Hastings, author of Armageddon

"A powerful and moving story that will stay with you long after you finish reading it. Ten Commando is a testament to the courage and resilience of the human spirit." - The Independent

About the Author

David Brog was born in London in 1921. He joined the SAS in 1940 and served with them throughout the war. After the war, he worked as a journalist and author. He died in 2004.
