### Volume 1: The Foundations

The inaugural volume of the Handbooks tackles the cornerstone concepts that underpin European public law. From the historical origins of European integration to the fundamental principles of EU law, this volume delves into the theoretical and jurisprudential foundations upon which the European legal system is built.

- **Chapter 1: The History of European Integration**
- **Chapter 2: The Constitutional Foundations of the European Union**

- **Chapter 3: The Fundamental Principles of EU Law**

## li>**Chapter 4: The Sources of EU Law**

### **Volume 2: The Institutions**

The second volume focuses on the institutional architecture of the European Union. It meticulously analyzes the powers, functions, and relationships among the various EU institutions, including the European Parliament, the Council of the European Union, and the European Commission.

- **Chapter 5: The European Parliament**
- **Chapter 6: The Council of the European Union**
- **Chapter 7: The European Commission**
- **Chapter 8: The European Court of Justice**
- **Chapter 9: The European Central Bank**

### **Volume 3: The Policies**

The third volume delves into the substantive policies and areas of law regulated by the European Union. From internal market regulation to competition law, environmental law, and external relations, this volume provides a comprehensive overview of the EU's multifaceted role in shaping and influencing the lives of European citizens.

- **Chapter 10: The Internal Market**
- **Chapter 11: Competition Law**

- **Chapter 12: Environmental Law**
- **Chapter 13: External Relations**

## **Volume 4: The Challenges**

The final volume of the Handbooks explores the contemporary challenges facing European public law. It examines issues such as the rise of populism, the impact of technology, and the ongoing debate on the nature of European sovereignty.

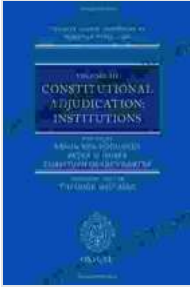

- **Chapter 14: The Challenges of Populism**
- **Chapter 15: The Impact of Technology**
- **Chapter 16: The Debate on European Sovereignty**

The Max Planck Handbooks in European Public Law are an essential resource for anyone seeking to understand the complexities of European law. With its comprehensive examination of the foundations, institutions, policies, and challenges facing the European Union, this four-volume series provides an authoritative guide to the legal framework that governs the lives of millions of European citizens.

Whether you are a seasoned legal professional, an aspiring academic, or simply curious about the workings of the European Union, the Max Planck Handbooks in European Public Law offer an invaluable resource for navigating the labyrinth of European public law.
