In her powerful and thought-provoking book, *We Can Do Better*, investigative journalist Ta-Nehisi Coates argues that the United States has failed to live up to its ideals of equality and justice. He explores the history of racism and discrimination in America and argues that we must do better in Free Download to create a more just and equitable society.

Coates begins by examining the legacy of slavery in the United States. He argues that slavery was not simply a system of forced labor, but also a system of racial terror that dehumanized black people and created a lasting legacy of inequality and discrimination.

Coates then goes on to explore the history of Jim Crow and the civil rights movement. He argues that Jim Crow was a system of legalized segregation that enforced white supremacy and denied black people their basic rights.

The civil rights movement, he argues, was a heroic struggle for justice, but it was ultimately incomplete.

In the final part of his book, Coates argues that we must do better than simply end racism and discrimination. He calls for a new era of reparations and reconciliation that will address the legacy of slavery and Jim Crow. He also argues that we must invest in education, healthcare, and other public goods in Free Download to create a more just and equitable society.

We Can Do Better is a powerful and important book that challenges us to confront the legacy of racism and discrimination in America. It is a must-read for anyone who is interested in creating a more just and equitable world.

About the Author

Ta-Nehisi Coates is an investigative journalist and the author of several award-winning books, including *Between the World and Me* and *The Water Dancer*. He is a contributing writer for *The Atlantic* and a recipient of the MacArthur Fellowship. Coates is one of the most important public intellectuals of our time, and his work has helped to shape the national conversation on race and inequality.

Reviews

"*We Can Do Better* is a brilliant and necessary book. Coates is one of the most important voices in America today, and this book is a must-read for anyone who wants to understand the racial divide in our country." - Ibram X. Kendi, author of *How to Be an Antiracist*

"Coates is a master storyteller, and his ability to weave together personal narrative, history, and social analysis is unmatched. We Can Do Better is a powerful and moving book that will stay with me long after I finish reading it." - Jesmyn Ward, author of Sing, Unburied, Sing
